CERTIFICATION

The Administering Organisation must obtain signed certification forms from all parties necessary to allow the proposed research to proceed. (acceptable forms of signed certification forms which must be retained by the Administering Organisation are, originals, or facsimiles or scanned PDFs of originals).

Certification by the Deputy/Pro Vice-Chancellor (Research) or their delegate or equivalent in the Administering Organisation

I certify that-

- Where required by the Funding rules I have obtained signed certification forms of all parties identified in this Proposal to submit this Proposal.
- Proper enquires have been made and I am satisfied that the Participants, and the Collaborating Organisations listed in this Proposal meet the requirements specified in the *Linkage Infrastructure, Equipment and Facilities* Funding Rules for funding commencing in 2011.
- The Head of Department or equivalent has approved this Proposal.
- This organisation will contribute the resources specified in this Proposal if the Proposal is successful.
- This organisation supports this Proposal and if successful will provide basic facilities and the items listed in the budget for the Project.
- Where required by the Funding Rules I have obtained signed certification forms from the other organisation(s), if any, involved in this Proposal to contribute the resources outlined in this Proposal if successful.
- I have obtained signed certification forms from the relevant employer(s) for the participation, to the extent indicated in this Proposal, of the Participants listed in the Proposal with the exception of certification of the employing organisations' of overseas Partner Investigators (unless the overseas Partner Investigators are employees of the Administering Organisation).
- I am prepared to have the Project carried out in my organisation under the circumstances set out in this Proposal and in accordance with the *Linkage Infrastructure, Equipment and Facilities* Funding Rules for funding commencing in 2011.
- The amount of time that the Investigator(s) will be devoting to the Project is appropriate to existing workloads.
- The Project can be accommodated within the general facilities in this organisation, and if applicable, within the facilities of other relevant organisations specified in this Proposal, and sufficient working and office space is available for any proposed additional staff.
- All funds for this Project will only be spent for the purpose for which they are provided.
- The Project will not be permitted to proceed until appropriate ethical clearance(s) has been obtained.
- I will notify the ARC if there are changes to any named Participant after the submission of this Proposal.
- To the best of my knowledge, all Conflicts of Interest relating to parties involved in or associated with this Proposal have been disclosed to the ARC.
- I will notify the ARC of any Conflicts of Interest relating to parties involved in or associated with this Proposal which arise after the submission of this Proposal.
- To the best of my knowledge, this Proposal does not fall within the Medical and/or Dental Research category, as defined in the *Linkage Infrastructure, Equipment and Facilities* Funding Rules for funding commencing in 2011.
- To the best of my knowledge, this Proposal if approved will not duplicate Commonwealth funding.
- I consent on behalf of all the parties, to the ARC copying, modifying and otherwise dealing with information contained in the Proposal for any of the purposes specified in Appendix A7.2 of the *Linkage Infrastructure, Equipment and Facilities* Funding Rules for funding commencing in 2011.
- I consent, on behalf of all the parties, to this Proposal being referred to third parties, who will remain anonymous, for assessment purposes.
- To the best of my knowledge, the Privacy Notice appearing at the top of this application form has been drawn to the attention of all the Participants whose personal details have been provided at the Personnel section.
- To the best of my knowledge all details provided in this Proposal and in any supporting documentation are true and complete and no information specifically relating to personnel research or publication records is false or misleading.
- I understand that it is an offence under the Criminal Code Act 1995 to provide false or misleading information.
- I understand and agree that all statutory requirements must be met before the proposed research can commence.

Note: The text of this certification will appear in the PDF of the Proposal when generated. This certification only comes into effect once the Proposal is submitted by an authorised officer of the Research Office of the Administering Organisation.

J2. Equipment located outside of the Administering Organisation

Is any or all of the infrastructure, equipment or facility to be located outside the Administering Organisation's premises?

Equipment Outside Admin Org

If Yes, please provide the proposed physical location of the infrastructure, equipment or facility

In no more than 750 characters (approx 100 words) of plain language, a statement providing justification for the location of the infrastructure, equipment or facility.

J3. Prior Commonwealth funding

Has the infrastructure/equipment/facility (IEF) been funded (in full or part) by the Commonwealth in previous years?

Prior Commonwealth Funding

If the infrastructure/equipment/facility has been funded previously, include the relevant Project IDs and describe, in no more than 750 characters (approx. 100 words) how additional funding through LIEF would enhance or add to the previous funding.

J4. Other agency submission

Have you submitted or do you intend to submit a similar Proposal to any other agency?

Other Agency Submission

If Yes, please select one of the following:

Other Agency Name

If Other is selected above, please enter the full name of the agency:

J5. Similar infrastructure, equipment or facilities available at another Eligible Organisation

Is similar infrastructure, equipment or facilities available at another Eligible Organisation?

Equipment Available at Other Organisation

If yes, select the location of the infrastructure, equipment or facilities

In no more than 750 characters (approx 100 words) of plain language, provide a statement to justify why collaborative use of the existing infrastructure, equipment or facilities is not practicable:

J6. Integrated research facilities

Is this Proposal a request for an integrated facility?

(In special circumstances a LIEF Proposal may be submitted for an integrated facility consisting of a number of small items (refer to the current Instructions to Applicants and LIEF Funding Rules). Such Proposals will be considered only where justification to the satisfaction of the ARC has been provided that an integrated facility is necessary to support research activities.)

Integrated Facility

If this Proposal is for an integrated facility, provide a statement, not more than 750 characters (approx. 100 words), justification why an integrated facility is necessary to support the research activities outlined in this Proposal.
